

Café on Vine 2025 Annual Report

The mature person realizes that life affirms itself most, not in acquiring things, but in giving time, efforts, strength, intelligence, and love to others.

Thomas Merton

Heartfelt Gratitude

On behalf of Café On Vine, I want to express our heartfelt gratitude for your generous support of our free meal site. Your contribution is helping us provide nutritious meals to individuals and families facing food insecurity in our community.

Recently, I had the opportunity to observe our dining room as we opened the doors for our lunch service. I noticed a fellow walk in slowly, shoulders hunched against the cold, his coat worn thin from the weather. The smell of warm food greets him and for a moment, the weight of the streets lifts. His eyes soften as he sees volunteers smiling and greeting him, trays of steaming meals ready to serve. As he walked by, he whispers “thank you” under his breath, clutching the tray of food like it’s a lifeline. For him, this isn’t just food...it is dignity, kindness, and a reminder that someone cares. In our dining room, surrounded by warmth and conversation, he feels human again.

Because of donors like you, we can serve 160-175 meals each day, offering not just food but hope and dignity to those who need it most. Your kindness ensures that no one needs to go hungry, and that everyone has a place where they feel cared for and supported. Together, we can continue to make a difference in the lives of our guests who visit the Café. On behalf of the board and all of us at the Café, thank you to all our donors who make our guests feel welcomed and respected. Together, we are building a stronger, more compassionate community. It is an honor to collaborate with you as we build community one meal at a time!

Blessings always,
Waunita M. Sullivan
